

Dave Dougherty
Executive Director, NHSACA
3409 50th St S, Fargo, ND 58104

Greetings 2024 Hall of Fame Inductees,

I am contacting you in order to help you prepare for the gathering of the Class of 2024 NHSACA Hall of Fame Inductees in Bismarck, ND at the Bismarck Hotel and Convention Center.

I would like to review the ceremony with you and give you some additional insight into your special event.

You will pick up your Hall of Fame banquet tickets at the NHSACA registration counter at the Bismarck Hotel. Inductee's ticket is complimentary.

The event will begin at 5:00 p.m. CST with the social, followed by the banquet at 6:00 p.m., all on-site at the Dakota Ballroom.

The dress for the event is Business Casual up to Business formal. Most female inductees wear dresses, skirts, or dress pants and a blouse. The Male inductees usually wear shirt and tie with a sport jacket (or suit), or dress pants with a nice polo or dress shirt. Please dress in a way that makes you comfortable for this occasion.

All inductees will be seated with their families and guests.

When inductees are called to the award stand to receive their Hall of Fame Award, they may bring as many family members and/or guests as they would like to the award stand with them during the presentation.

All Inductees will receive an 8x10 individual print and an 8x10 group photo of all inductees, courtesy of the NHSACA and Matthew Putney Photography. Besides the formal pictures taken for each inductee, pictures will be taken throughout the banquet and will be provided to each inductee as soon as possible following the banquet.

We will provide time for all Hall of Fame Inductees to take pictures with their families on the award stand before and following the Hall of Fame ceremony.

The entire ceremony is expected to last 3 hours.

Please contact me if you have any questions or needs that I may assist you with.

Dave
