Set up, Workers needed, pictures, other

Discussed the banquet and many of the same points from the Hall of Fame Banquet. There was a long discussion on the COVID limitations currently in place in Lincoln. Can hold 75% of capacity which is 325. The local health department has stated that it will not go up to 100% capacity until 75% of the population (16 and older) in the Lincoln area is vaccinated. This is far too low for our banquet, but Sheila at the Great Hall believes we will be at 100% by the time the banquet takes place. A discussion on the pros and cons took place for splitting the banquet into two back-to-back banquets. Darin moved to schedule one banquet but prepare for the possibility that we may have to split the banquet into two. Seconded by Rocky. The motion passed. The cutoff date will be determined as we get closer to the banquet and input from Sheila at the Great Hall.
